REPLY COMMENTS

SSR Communications Incorporated ("SSR") hereby submits its Reply Comments in the above-captioned proceeding. On March 21, 2005, SSR submitted a "Counterproposal and Request for Show Cause" in accordance with all procedural rules including delivery of the filing at the proper location. Subsequently, on April 1, 2005, the Commission issued a Public Notice entitled "Filing Requirements in FM Allotment Rulemaking Proceedings" (DA 05-995). This Public Notice announced that all rule making filings to amend the FM Table of Allotments, 47 C.F.R. § 73.202(b), must indicate on the first page "To: Office of the Secretary." SSR did not indicate this address on the first page of its filing and has only recently become aware that in addition to the RECEIVED stamp date of March 21, 2005, the filing contains another RECEIVED stamp date of April 1, 2005.

SSR urges the Commission to accept the Counterproposal as properly filed in view of the fact that the proper address for such submissions was not clear before the issuance of the Public Notice. It appears that the Commission recognized the need to make this filing requirement clearer. In this regard, the Public Notice states that "Incorrectly addressed filings will be treated as having been filed on the receipt date shown the official 'Office of the Secretary' date stamp", (emphasis added). By this statement, the Commission seems to indicate that this treatment will

be prospective in nature. In any event, SSR requests that the Commission waive the filing requirement and permit acceptance of its Counterproposal in this proceeding.

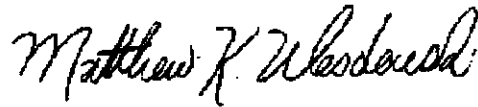

This waiver request is based on one additional factor. The original petitioner which is the only other party in this proceeding has withdrawn its interest in filing for Ch. 266A of Monument, Oregon. Thus, no party would be adversely affected by waiving this procedural requirement. On the other hand, the public interest will not be served by dismissing this Counterproposal due to this procedural defect and force SSR to refile the proposal.

Accordingly, SSR urges the Commission to accept its Counterproposal.

Respectfully submitted,

SSR Communications Incorporated
